

Westlaw Middle East

Research Tips - How to stay on top of your research

Objectives

In this webinar, we look more closely at how the Westlaw Middle East platform tools and functionalities can assist with the management of your research projects. It is ideal for users wanting to make the most of their subscription or make their research more efficient.

Learning Outcomes

At the end of the session participants will have gained a deeper understanding of the use and management of the following Westlaw Middle East platform preferences:

- My Folders – saving and storing documents
- Client ID – matter management and recording research tasks
- Research Trail – tracking research history
- Alerts Centre – creating email notifications to keep up to date

Session Duration

30 minutes

Session Delivery Methods

Microsoft Teams Session - Online
