## News

On Thomson Reuters Westlaw™ UK you can access both UK and Global News.

### UK News Content

To view the UK News Content, click **News** on the right of the Westlaw UK Home Page in the More Resources section. This will open a new UK News section tab.

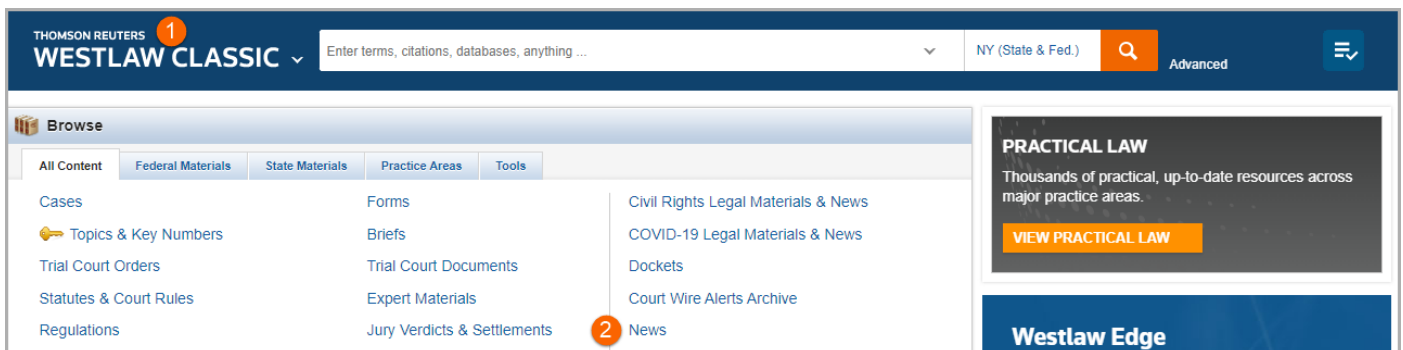

NOTE: Foldering, favourites, and alerts for UK News content is separate to the Westlaw UK platform.

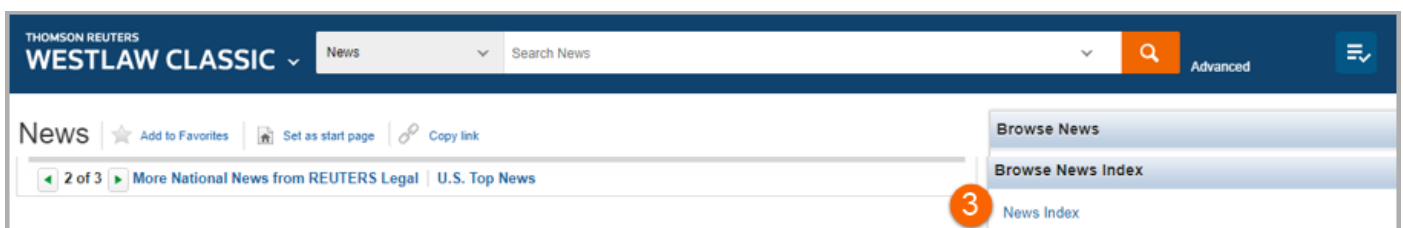

### Global News Content

To view Global News Content:

1. Once you have accessed the UK News Content, click the Westlaw Classic logo.
2. Click **News** on the right of the Westlaw Classic Home Page.

3. Click the News Index link to browse or search specific publications by title.

## Searching the News

Use the Advanced search template to search through the vast amount of News information. To access the Advanced search template on any News page, click **Advanced** to the right of the search bar.

1. Enter all/any/phrase search terms. Use the term frequency option to specify how many times the term must appear in the document. Use the Case-Sensitivity option to specify whether the term is case sensitive.
2. Exclude types of news documents.
3. Add a date range to specify the length of retrieved articles.
4. Fill in additional document fields to look for terms in a specific section of the news document.
5. Use Select Smart Terms to browse the Westlaw news indexing and select Industry, News Subject, Company or Location terms.
6. Check this box to identify and highlight duplicate news articles.
