

# Practical Law

## Global resources

### Course Description

This webinar shows how to use global resources for 20 countries, for customers who subscribe to the global resource package which is an add-on to Practical Law Australia content.

### Learning Outcomes

At the end of this webinar you will be able to:

- understand the types of content available
- browse and search content covering 20 countries by country or content type
- use Knowledge Maps to quickly find related content
- use the Country Q & A comparison tool to answer key legal questions in each country or state in US
- locate and use the 'full versions' of Practical Law for the USA, Canada and UK
- set up email alerts to monitor when documents are updated
- make annotations and highlights and store documents in folders

### Duration

Approximately 30 minutes (0.5 CPD Point)

### Delivery Methods

Online via Microsoft Teams. Note: The webinar allows participants to view the trainer's computer screen. At no time does the trainer access your computer.

### Support Materials

Online help and support materials available at <https://support.thomsonreuters.com.au/product/practical-law-australia-incl-nz-resource-centre>

### Training Specialist

This session will be facilitated by Mark Norman who has over 20 years' experience as a legal librarian and trainer in the UK and Australia. He has worked in a variety of fields including higher education and research, government departments, media organisations and the legal industry.
