Westlaw Australia
Advanced Caselaw Research

Session Objectives

This session will focus on Caselaw on Westlaw Australia. It will explain how to use the Cases Advanced search template to find Cases by keywords as well as using the case search fields in the template.
We recommend attending the Introduction to Caselaw Research webinar prior to attending this course.

Learning Outcomes

On completion of this course, you will be able to:

- Locate cases using the Advanced search template.
- Use Boolean terms and connectors in the advanced template to find a case.
- Understand the search fields available and how they work.
- Refine, filter and sort search results.
- Use the delivery options to download, print or email cases.
- Save cases into a folder.

Session Duration

Approximately 30 minutes

Session Delivery Methods

Microsoft Teams. **Note:** The Webinar session allows the participant to view the trainer's computer screen as they demonstrate research strategies on Westlaw (Australia).
