## International Materials

Westlaw International Materials provides a global legal research library. Access to International Materials is subscription dependent.

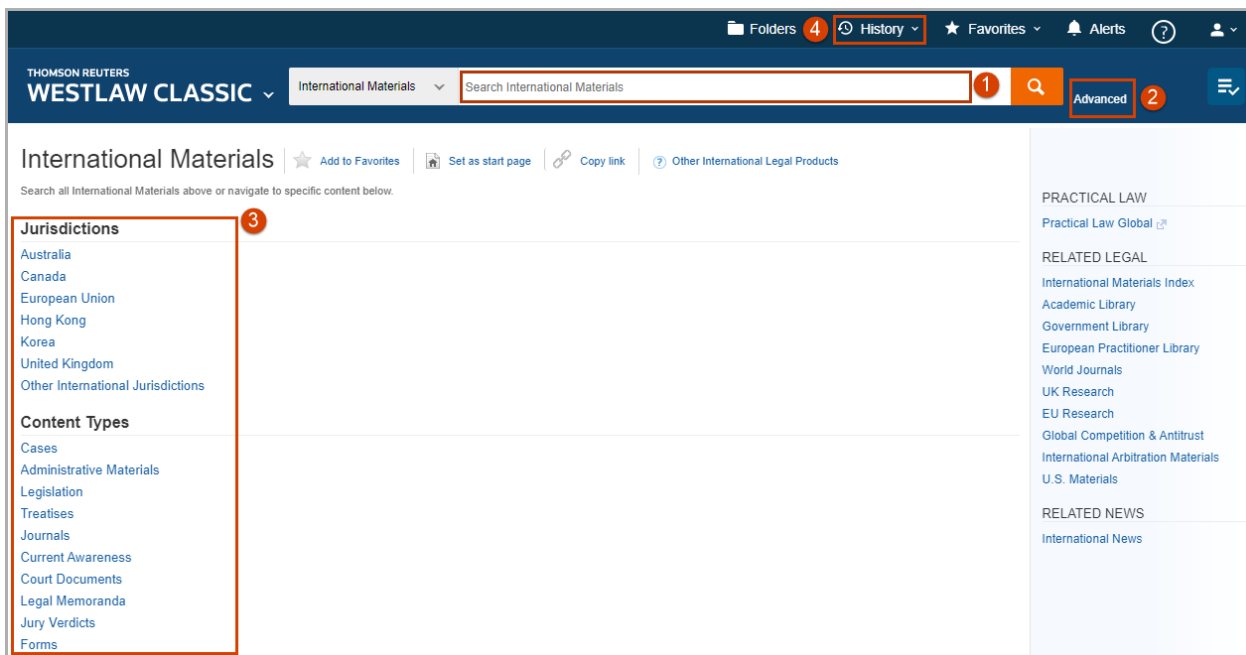

### Getting Started

1. Select [Westlaw International](#) from the Westlaw UK Home Page.
2. Choose to set International Materials as a start page by clicking on Set as Start Page.
3. Choose to add International Materials to the list of favourites. Access, delete or organise favourites by selecting the favourites link in the top right-hand corner of the screen.

### Finding resources

1. Enter a keyword search query in the search box on the International Materials Homepage.
2. Use the Advanced Search template to create a Boolean Terms & Connectors query.
3. Refine search parameters by selecting a Jurisdiction or Content Type.
4. Click History to view the full history of document views and searches. The drop-down arrow displays the five most recent documents viewed and searches conducted. The research history is saved for one year.

## Document Display

1. Print, download, or email the document using the delivery functions.
2. Create or select folders to save the document.
3. Add annotations to the document.
4. Use the mouse cursor to highlight a selection of text within the document and use the popup box to save the snippet to a folder, add a note, highlight the text, or copy the selection of text with a reference back to the document automatically included.
