

Practical Law Australia

Global Resources

Course Description

This webinar demonstrates how to use global resources for 20 countries, for customers who subscribe to the global resource package which is an add-on to Practical Law Australia content.

At the end of the session, you will be able to:

- Understand the types of content available.
- Browse and search content covering 20 countries by country or content type.
- Use Knowledge Maps to quickly find related content.
- Use the Country Q & A comparison tool to answer key legal questions in each country or state in US.
- Locate and use the ‘full versions’ of Practical Law for the USA, Canada, and UK
- Set up email alerts to monitor when documents are updated.
- Make annotations and highlights and store documents in folders.
