

# Westlaw Precision Australia

## Litigation Document Analyser

### Course Description

This 30-minute webinar introduces the exciting new AI feature which is available in Westlaw Precision Australia. It shows how to use the Litigation Document Analyser to quickly check and interrogate the primary law references in a document.

### In this session we will cover the following:

- Understand the features and benefits of the LDA
- Quality check the final draft of a document
- Reveal potential errors or omissions in a document
- Refresh a past winning argument
- Review outside counsel's work before submission
- Refresh internal documents which rely on cases and legislation

### Session Duration

Approximately 30-minutes (0.5 CLE/CPD).

### Session Delivery Methods

Online via Microsoft Teams. **Note:** The Webinar session allows participants to view the trainer's computer screen. At no time does the trainer access your computer.

### Learning Materials

Online help and support materials available
